DEDICATION

History lays the foundation for a great and productive future. As we initiate the exploration of both inner and outer space, we choose to pay tribute to one who has contributed so much to education. Never has one person's devotion so inspired a student body. His years of service as teacher, coach, friend of the entire student body, and guide for youthful expression truly manifest the essence of a complete education. We proudly dedicate this 1972 edition of HI-S-POTTS to

THE CONCERT CHOIR

The Concert Choir, under the direction of Mr. Francis M. Portland, has completed a very successful year. The choir numbered 115 members from the sophomore, junior and senior classes.

The activities of the Choir included several public appearances such as the annual concerts given before the combined Service Clubs of Pottsville during the Christmas season. In addition to this, the Choir has traveled to Lebanon to video-tape a Christmas program for the television Station WLYH, Channel 15.

The Choir has also presented both the Christmas and Spring concerts to capacity audiences. Included in these presentations was music to be enjoyed by all ages. Adding to the color and variety of both concerts was the beautifully created scenery.

Director of Choral Music

Once again the Choir was represented at the District Chorus Festival held in Emmaus. Members of the Choir also participated in the newly formed County Chorus which was held at Pottsville Area High School.

THE POTTSVILLE AREA H. S. BAND

The Pottsville Area High School concert and marching band again gave a fine account of itself this year. The marching band won first place in the county firemen's convention parade at Minersville and was named outstanding county band in the Greater Pottsville Winter Carnival Parade. The band also took part in the King Frost Parade, Hamburg; Penn State Band Day, University Park; the Halloween, Christmas, and Memorial Day Parades, Pottsville; Halloween Parade, Saint Clair; Memorial Day Parade, New Philadelphia; and the marching band festival at Ashland.

Football shows this year were entitled "The Sounds of Early America" and "Sounds of the Seventies." The band performed a special half-time show for the Valley View game, saluting the coaching staff and the team.

The concert band presented two evening programs this year, a Christmas concert with the D. H. H. Lengel School Band, and the annual Spring Concert.

Gemma Coulson and Mary Zugzda, clarinet; Ronald Barto, trumpet; and Paul Miller, percussion; represented P. A. H. S. at Eastern District Band at Easton High School on January 20-22. 1971 FOOTBALL SEASON

The 1972 edition of the Crimson Tide was one of the most successful in school history. Seventeen seniors culminated four years of hard work, dedication, and sacrifice with a team that didn't have a few so-called superstars, but twenty-two men who worked as a team and never let individual statistics enter into their play. A once-defeated junior varsity team and an undefeated freshman team make the outlook for future seasons very bright.

POTTSVILLE 36 — BLUE MOUNTAIN 0

The Crimson Tide opened its 1971 season in true P. H. S. fashion with a 36-0 rampage over Blue Mountain. Ed Guers scored 2 TDs—one on a 57-yard run and the other on a 74-yard scamper. Vince LaSelva's 37-yard touch-down plunge, and an Ostrosky TD pass to Gronski covering 37 yards accounted for the mighty Tide's score. The defensive line led by Gaffney and Bobinis played exceptionally well and accounted for a safety. Such a devastating one-sided victory over a tough Blue Mountain team was a strong indication that the Bulldogs were the team to be contended with in the Southern Division.

POTTSVILLE 41 — MAHANOEY 20

The mighty Tide proved that it was for "real" by overwhelming the Mahanoy Area Golden Bears, 41-20, for their second consecutive win. Vince LaSelva scored two touchdowns and had a third nullified by a penalty. Guers, Carter, and Ostrosky also hit paydirt for the Tide's offense. The defense led by Sydnor, Kimmel, and Ostrosky scored again when Kevin Keating intercepted a pass and raced 29 yards for a Tide touchdown.

POTTSVILLE 42 — TAMAQUA 6

The Crimson Tide continued to roll as it romped over Tamaqua, 42-6. The Tide's scoring was led by Ed Guers' 32-yard and 3-yard TD runs. LaSelva, Alonge, Ostrosky, and Gronski all scored touchdowns for Pottsville. The defensive squad was again magnificent as Rick Thornburg intercepted two aeriels and our devastating front four kept the Blue Raiders off the scoreboard 'til late in the game.

POTTSVILLE 28 — PANTHER VALLEY 12

Pottsville continued its spotless won-loss record, bringing it to 4-0 by defeating Panther Valley, 28-12. Ed Guers led the scoring attack with touchdown runs of 49 and 4 yards. Vince LaSelva scored on a 44-yard pass play from Leo Ostrosky and later Ostrosky scored on a 3-yard run. Kim Uranko added the four extra points to account for the remainder of the Tide's scoring. The Tide's defense held Panther Valley to only 138 total yards rushing.

POTTSVILLE 40 — SHAMOKIN 27

The Crimson Tide extended their unbeaten streak to five games by massacring the Shamokin Indians, 40-27. Coach Flynn's forces led from the very beginning when Bob Gronski snagged a Leo Ostrosky aerial in the end zone to make it 6-0. Pottsville came right back after a Shamokin score when Leo Ostrosky intercepted a pass and the Italian Stallion, Vince LaSelva, raced in for six points. Ed Guers scored three touchdowns, Leo Ostrosky scored on a keeper, and sophomore Howie Wilson raced six yards for the last Tide TD. After such a convincing victory over a tough Shamokin team, the Tide proved that they definitely are one of the top contenders in the Southern Conference.

POTTSVILLE 35 — MT. CARMEL 0

The Crimson Tide manhandled Mt. Carmel, 35-0, for its sixth straight victory. Ed Guers scored two touchdowns, and Leo Ostrosky scored on a 21-yard TD run and passed to Dave Sydnor for a 61-yard touchdown. Although the Tide's offense sparkled as usual, the defense really shone. Besides keeping the Mounties off the scoreboard, Jim Shields scored on a 95-yard fumble recovery for the Tide. Kim Uranko was 5 for 5 in P. A. T.

POTTSVILLE 12 — SHIKELLAMY 7

Pottsville faced its toughest opposition of the year in the Shikellamy Braves. Ed Guers got the "Big Red Machine" started in the opening moments when he ran the opening kickoff an electrifying 95 yards to put the Tide on the scoreboard, 6-0. The first half developed into a backbreaking defensive duel between the two toughest defense units in the Southern Conference, which was evident when the teams went out for intermission—Shikellamy 7—Pottsville 6. Coach Flynn's offense took complete control and threatened deep in Brave territory but were unable to cash in because of a major penalty. However, the Tide kept rolling when Eddie Guers took a handoff on his own 26-yard line and raced deep into Brave territory to the 21-yard line. After two fantastic runs by Vince LaSelva proved to be in vain, because of a clipping penalty, quarterback Leo Ostrosky lofted a spiral to Dave Sydnor at the three-yard line, who then hustled into the end zone to score the winning touchdown and probably the most important touchdown of the whole season.

POTTSVILLE 0 — HAZLETON 0

Pottsville Area's defense proved its supremacy in the Southern Division by holding back Hazleton's determined offense. The Tide stopped Hazleton three times late in the fourth quarter with Hazleton deep in Pottsville's territory. The Tide's offense moved the ball well against the Hazleton defense, but penalties always stopped the drive. Dave Sydnor starred all over the field, making great catches and defensive plays all night.

POTTSVILLE 50 — WILLIAM ALLEN 36

P. A. H. S. traveled to Allentown to meet its age-old rival, William Allen. Leo Ostrosky registered the first score when he drove over from the one-yard line and Kim Uranko converted the P. A. T. to give the "Tide" the lead, 7-0. Even though the Canaries developed an awesome passing attack, the 3 TD performance by Vince LaSelva kept Coach DiCello smiling. Defensive tackle Tom McGeoy exemplified the determination of the '72 "Tide" when he scooped up a blocked punt and raced into the end zone to highlight a fantastic defensive performance. Ed Guers and Bob Gronski each contributed a touchdown to the "Tide" offensive performance.

POTTSVILLE 35 — NORTH SCHUYLKILL 3

Pottsville insured itself the Southern Division Championship by whipping North Schuylkill, 35 to 3. Dave Sydnor led the scoring attack by returning two interceptions for touchdown runs of 75 and 85 yards and caught a Kevin Keating pass in the end zone to complete a 37-yard pass play. Bob Gronski and Kevin Keating, who replaced injured Leo Ostrosky as quarterback, each scored one apiece to complete the Tide's scoring rampage. Kim Uranko was five for five in P. A. T. category. Pottsville's defense was at its finest again, intercepting five passes and recovering two fumbles.

POTTSVILLE 22 — READING 13

Although Reading led, 13-0, Pottsville bounced back to defeat Reading, 22-13. Ed Guers paced the scoring with a 17-yard jaunt and a 3-yard plunge for touchdowns. Following Guers' second touchdown, Kevin Keating converted the two-point conversion to put Pottsville ahead, 14-13. A one-yard TD dive by Vince LaSelva, and the 2-point conversion on a Keating to Bob Gronski pass clinched the victory for the Tide. Thus, the 1971 P. A. H. S. football team became the third team in the school's history to finish the regular season undefeated. Ed Guers, Leo Ostrosky, and Vince LaSelva will echo in the hearts of P. A. H. S. fans for many years.

POTTSVILLE 0 — VALLEY VIEW 6

Valley View, the Northern Division Champions, met their true test in the Bulldog defense. Rick Kovack, premier running back of the Eastern Conference, was forced to eat Veterans' Stadium turf several times and was dropped behind the line of scrimmage on more than one occasion by Pottsville's version of "the doomsday defense." Poor field conditions and cold December weather were the biggest "Tide" deterrents because of slipping and sliding. The following "Tide" players contributed to the strongest defensive effort of the season: Tom McGeoy, Kevin Kimmel, Chuck Bobinis, Glenn Gaffeny, Dave Sydnor, and Leo Ostrosky. The 1971 squad will always be remembered as one of the best in the history of P. A. H. S.

1971 CROSS COUNTRY TEAM

Pottsville Area High School completed its thirty-ninth year of cross-country competition with a 7-3 log in dual meets for a winning season and also bagged twenty per cent of the medals and ribbons in the third annual Schuylkill County Cross Country League Championship at Hidden Valley Golf Course.

The cross country team has won thirty-six out of the last forty-one dual meets for a 860 per cent winning record over the past four years.

The 1971 cross country team was captained by three seniors, Clyde Lowthert, Ken Kline and Robert Celani. First places won by the team, individual firsts, were partitioned among these three captains. Also running brilliantly for the Crimson and White were seniors Thomas Sinton, Robert Harvey and Steve Stock. Rounding out the varsity were seniors Jack Spleen, Ed Jenkins, and junior Richard Devaney, sophomore Ted Jasinski, and freshmen Robert Messina and Todd Kline.

Pottsville Area began the season on the wrong foot by losing to William Allen, 17-38, in a big surprise. Both teams were relatively intact in personnel from the year before when Pottsville clobbered Allentown.

Weatherly began the league season when they visited Pottsville and Weatherly lost, 20-35. In this race, Clyde Lowthert was first, Ken Kline second, and Bob Harvey third.

Pottsville Area visited Marian and defeated Marian, 18-37. Ken Kline set a course record for Marian of 12:35. Bob Celani was second.

Pottsville defeated Nativity, 25-30. In this race, Clyde Lowthert was third, Bob Celani, fourth, Ken Kline, fifth, and Tom Sinton, seventh.

Pottsville returned home to shut out Cardinal Brennan, 15-40. In an extraordinary finish, Bob Celani was first, Lowthert second, Kline third, Harvey fourth, Sinton fifth, Steve Stock sixth, Celani seventh, and Ted Jasinski eighth.

Pottsville Area ran the best race of the year at Mahanoy Area as Pottsville achieved its second successive shutout, 15-40. For the first time in history, Pottsville Area took over the first ten places. The order of finish was:

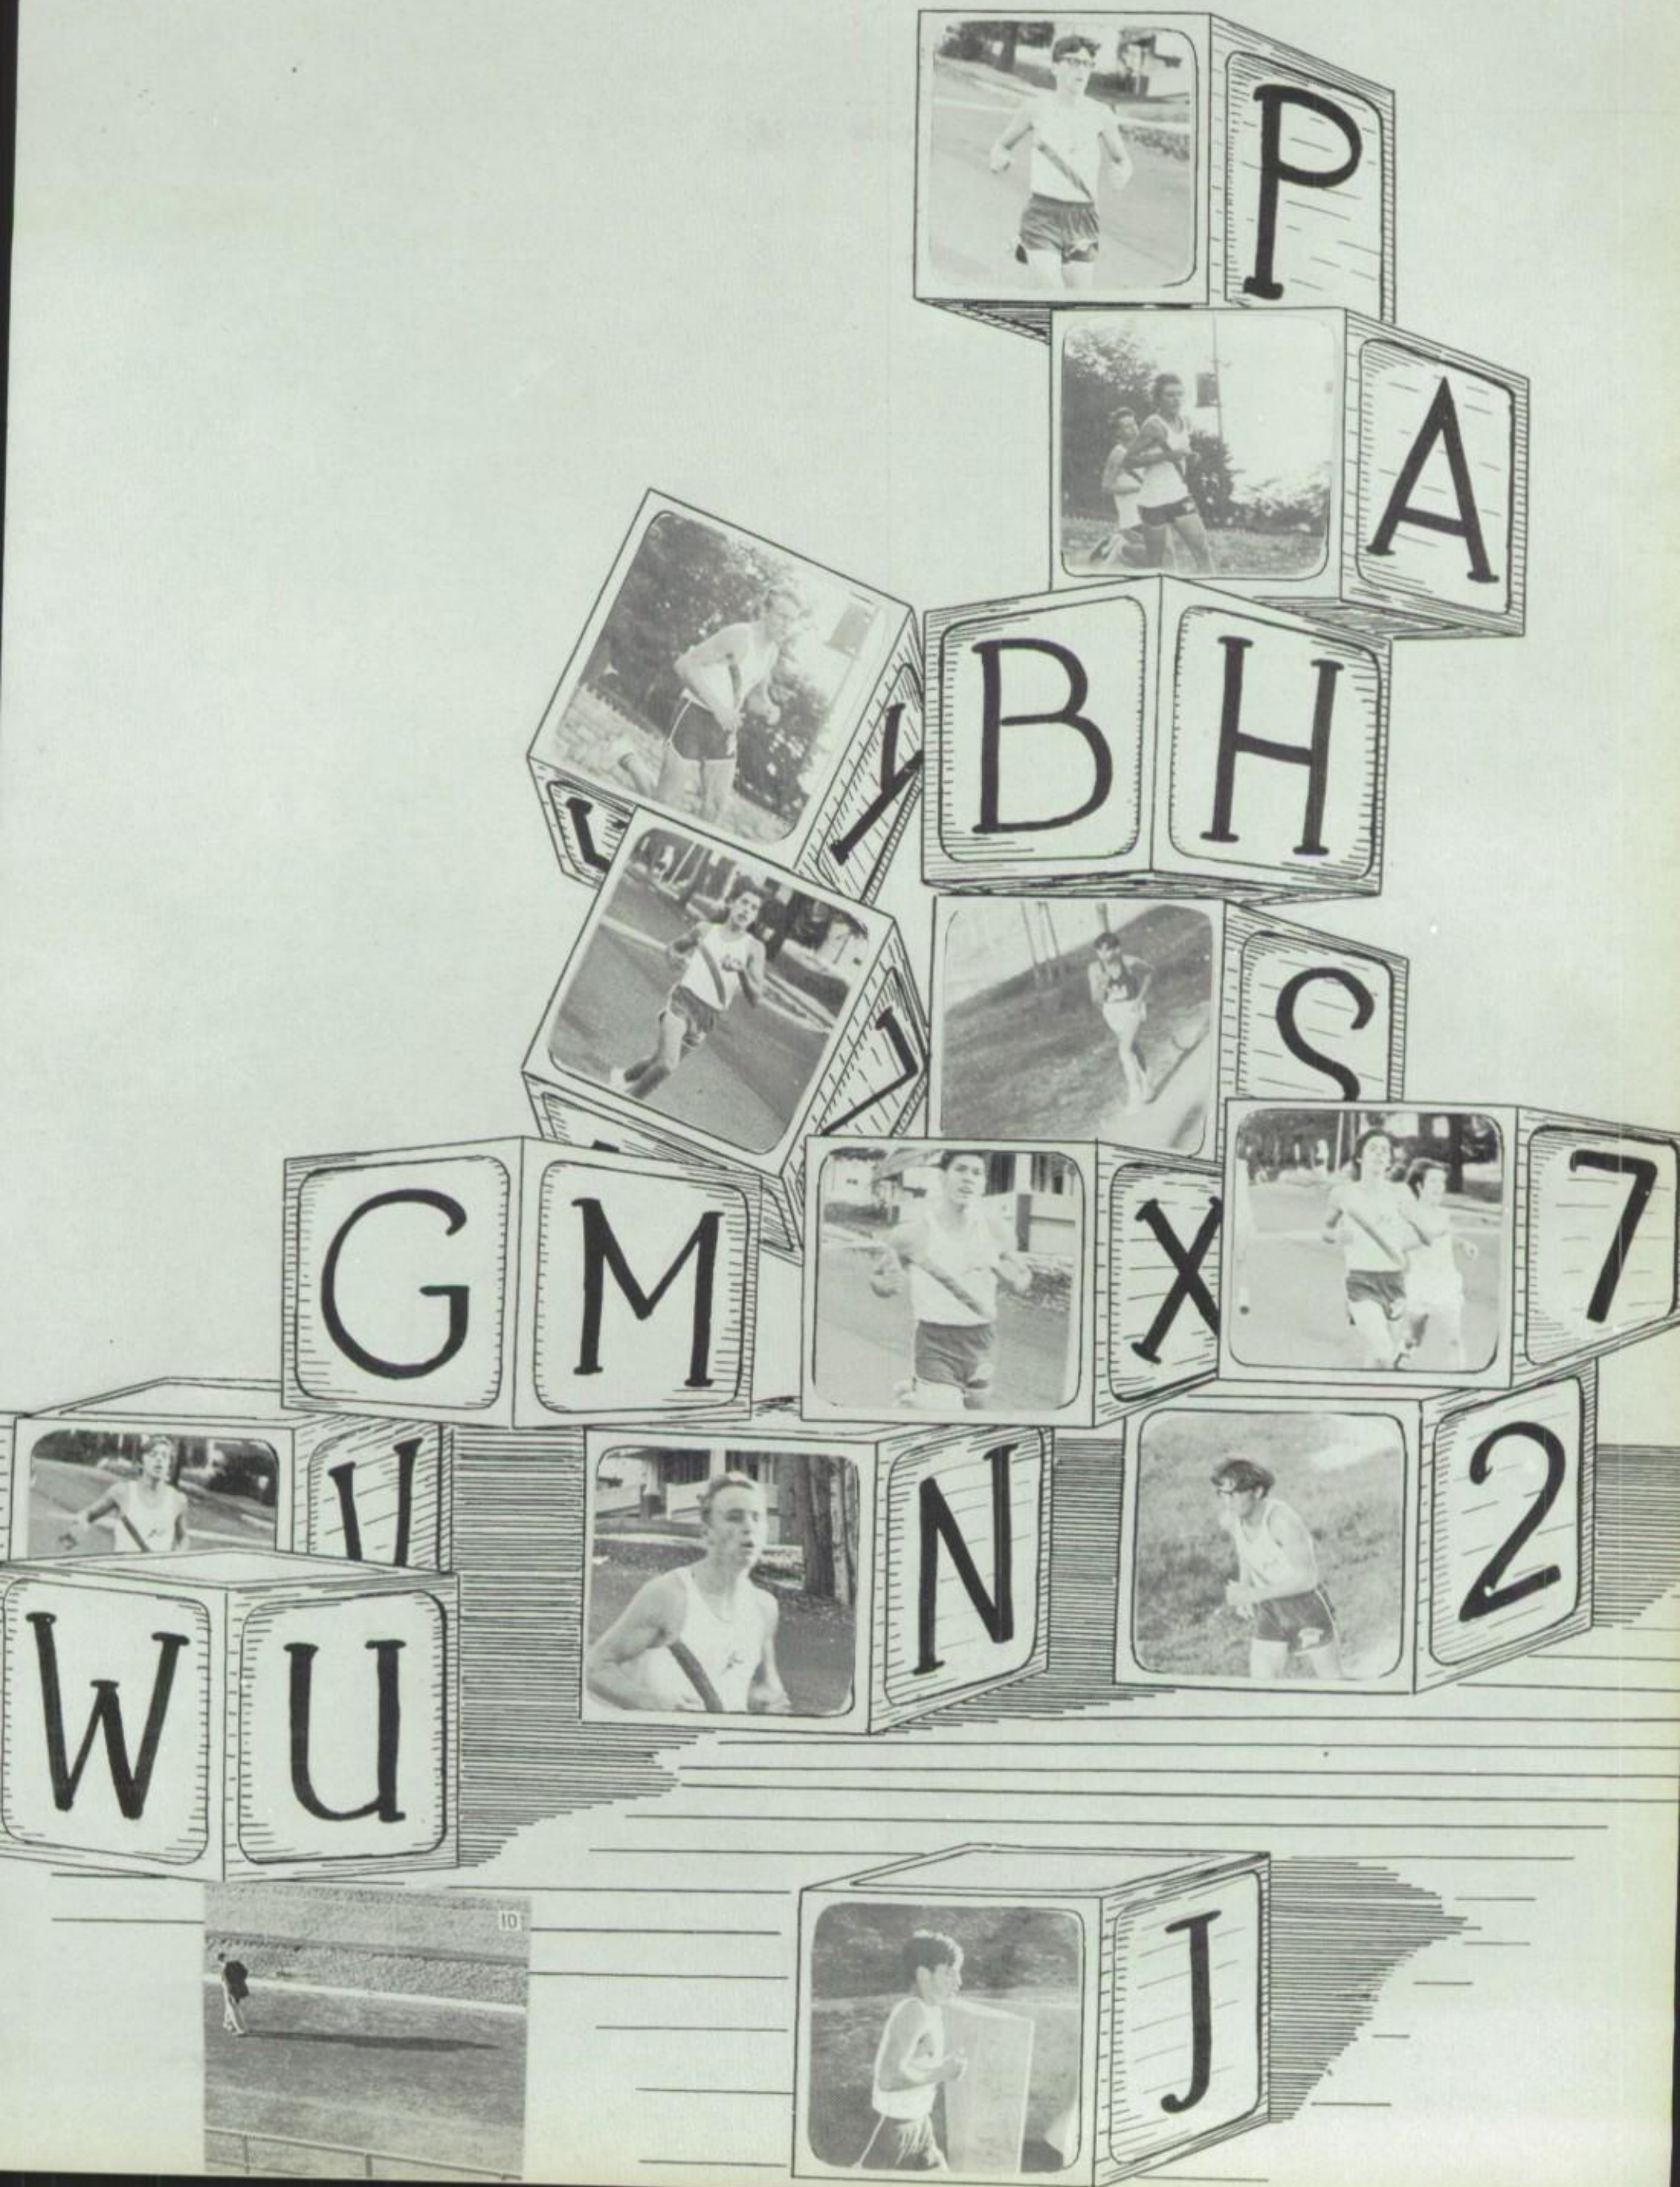

First, Celani; second, Lowthert; third, Kline; fourth, Harvey; fifth, Sinton; sixth, Stock; seventh, Rick Devaney; eighth, Jasinski ninth, Jack Spleen, and tenth, Kyle Jefferson.

Pottsville Area returned home to defeat Minersville, 20-35. In this race, Kline was second, Lowthert third, Celani fourth, and Harvey fifth.

Pottsville was defeated by Schuylkill Haven, Blue Mountain and West Hazleton. The last, West Hazleton, won the league title which had been Pottsville's in 1970.

In the Schuylkill County Cross Country League Championship run, Ken Kline and Bob Harvey won medals and Steve Stock and Clyde Lowthert ribbons.

The 1971 cross country season completed the thirty-eighth year of cross country coaching by Coach Carlton R. Sterner. His teams have won the former Central Pennsylvania Cross Country League title, the Penn Central Conference title, the Schuylkill County Cross Country Conference title, runner-up in the PIAA State Championship, and the PIAA Pennsylvania State Cross Country Championship at Penn State University with a new PIAA State Cross Country record by Clyde Lowthert.

Standing — R. Scheipe, K. Bailey, H. Bertsch, A. Holtzer, D. Sydnor, A. Raczka, M. Sanders, L. Ostrosky, L. Haberle, D. Ebling, J. Sweeney, K. Kline.

1971-'72 BASKETBALL TEAM

The varsity basketball team completed the 1971-'72 season with a record of 7 wins and 15 losses. Under the coaching of Mr. Ken Kline, the Tide outscored their opponents by 4 points, led in all major statistics, and had fewer turnovers than their opponents.

The Tide was captained by seniors Chris Higgins, Hal Bertsch, and Dave Sydnor. These three seniors led the Tide in all major statistics. Chris Higgins led the scoring pace with a total of 314 points with Hal Bertsch following with 232. Dave Sydnor led the team in rebounds with 199 and in steals with 61. Chip Raczka and Al Holtzer followed Sydnor in rebounding with 120 and 119, respectively, and Chris Higgins and Dennis Ebling followed in the steal department with 40 and 39.

Pottsville's J. V. team finished with the record of 7 wins and 15 losses. John Burch led the team with 224 points and 34 steals. Howie Wilson led in assists with 24 and Ed Mady pulled down 224 rebounds for the Junior Varsity.

Jerry Evans, senior, cleared six feet, three inches in the high jump to win the 1971 District Eleven P. I. A. A. Class A high jump championship and break his own Pottsville Area record which he had set at Easton. Evans then went to win the bronze medal in the State Championship P. I. A. A. Track and Field meet at Pennsylvania State University. He is the first Pottsville boy ever to achieve that high honor. He is the only Schuylkill County boy to place in the high jump, Class A, at the Pennsylvania State Championship.

Jim Dittmar scored 96 points in the weight events, threw the shot 52 feet, 9 inches, placed second in District Eleven P. I. A. A. Championship and eighth in the State Championship at State College. His shot put of 52 feet plus is the second best in Pottsville High history. The record is 58 feet, 11 inches by Bill Taylor, set in 1957 when he won the State Championship in the shot put. Dittmar won 16 first places in the weights during the 1971 season.

Ed Guers, junior, was the top scorer for the year with 103 points. His best performance was 51 seconds flat in the 440-yard run in the Meet of Champions at Lehigh University's track.

Pottsville Area's track team of 1971 had five of the region's best performances. Dittmar held three, Evans held one and Guers one.

At the Penn Relays, P. A. H. S. placed fifth, best of the Pennsylvania schools in Event No. 47. New York City high school won first place.

Sterling performances were given frequently by Steve Prokop in the 440 and half-mile and Clyde Lowthert in the half-mile. Both were 2 minutes and two seconds for their best performances.

Dittmar, Evans, Prokop and Guers all were awarded trophies at Red Letter Day in June.

Coach Carlton "Pete" Sterner completes his thirty-eighth year as head track coach at Pottsville Area High School. He is the only coach in the District Eleven P. I. A. A. Track and Field to win the District Eleven Championship ten times. Every track and field record in Pottsville Area's history has been set during coach Sterner's regime. His Pottsville teams, together with Easton, are the only District Eleven team to win the District Eleven Track and Field Championship four consecutive times. Sterner's teams are the only ones to win the District Eleven Track and Field title seven out of ten times between 1948 and 1957.

Coach Sterner's sprinter, John Neyer, holds the 100-yard dash P. I. A. A. State Championship record of 9.6. It was set in 1939 and still is the state record in 1972, the oldest record ever to stand up in the state championship at Penn State.

In addition to the 100-yard dash record, Sterner's teams also won the state championship in the half-mile, high jump, half-mile relay, shot put and innumerable silver and bronze medals in the dashes, 440-yard run, mile run, javelin, high and low hurdles and the broad jump.

Coach Sterner's teams also have won the Southern Conference Track and Field Championships seven times. Pottsville and Mount Carmel are the only teams to ever win the Southern Division Championship.

Coach Sterner not only had a first place gold medal winner at the Penn Relays, one of the three first places won by Pottsville at the Penn Relays since 1895, but he was also the captain of the 1928 Pottsville High School mile relay team in 1928 that won first place at the Penn Relays in the fastest interscholastic mile relay at that carnival. The race was run in snow and mud on April 28.

The 9-4-1 record posted by the Crimson Tide grapplers of '71-'72 represents the best over-all won-loss record since the sport's inception in 1962. The team finished second in the Tri-County League to the league champs, North Schuylkill.

Emerson Carter finished the dual meet season undefeated with a 14-0 record. Other outstanding records were:

P. A. H. S. 1971 BASEBALL

The 1970-'71 edition of the varsity baseball team was one of the best ever. The Tide proved that they were strong independents by winning more than seventy percent of their regular season games and thus entering the District Eleven play-offs. Some of the catalysts who made the Tide roll were Bill Brehony, r-b-i's leader, Glenn Powers—most hits, most doubles, most triples, and most runs scored; and our own "Maury Wills"—Bob Scheipe, who stole thirteen bases, while Chris Higgins was right behind with twelve base steals.

Coach Steidle's smoke-throwing pitching staff was highlighted by senior Ed Wentz who had seven wins, no losses, and the lowest earned-run average; team captain, Vince Lopez, was also a valuable senior starter while juniors Leo Ostrosky and Bob Brown will return in "72" to give the Tide the type of pitching they will need to win the championship in their debut year in the Hughie McGeeghan League. The outlook for "72" is very prosperous with the return of twelve lettermen.

P. A. H. S. CHEERLEADERS — 1971 - '72

The Pottsville Area High School Cheerleaders began their 1971-'72 season by attending an Allentown cheerleading camp. At camp the girls learned new cheers and chants to use at games and pep rallies. They also got ideas for skits and spirit-raising. In addition to cheering at games, the cheerleaders marched with the band at football games and in parades.

When not cheering, the girls were selling several items to raise money for uniforms and camp. They also held bake sales and victory dances during football season.

The Junior Varsity Cheerleaders were kept busy making signs and decorating for pep rallies.

At the end of the year the seniors received sweaters, juniors received megaphone necklaces, and the J. V.'s received emblems.

1971 GOLF TEAM

Pottsville Area's golf team had another winning season in 1971. Under the coaching of Mr. Ken Kline, the team compiled a record of six wins and four losses and entered the Tri-County Golf League Championship playoffs. Bill Jones won the low average honors with 82 and Griff Lindsay led the team in most points won, $19\frac{1}{2}$, and fewest points lost, $9\frac{1}{2}$. Griff was also runner-up for the low average honors with an average of 82.6.

The season was highlighted by the eight to seven win over Blue Mountain, which stopped Blue Mountain's winning streak at 34, and by the two shut-outs against Shamokin Lourdes, the first time Lourdes was ever shut-out.

BOYS' SWIMMING TEAM

In the first season of competition the boys' swimming team had two objectives in mind. First, a determination to complete the schedule of events, and second, to improve skills. The first objective was met through a sincere effort on the part of each member of the team. With no regard for the dire predictions or seemingly hopeless odds, each person gave his best in the quest for victory. Improvement, the second objective, is more easily seen in the better times in the events and in the sense of confidence each man developed as the season progressed, than in the scores that were flashed on the scoreboard. Increasingly faster times and better diving scores were registered because each man concentrated on improving his stroke, start, turn, or diving form. Regardless of the school against whom the team competed was to swim against the clock, because that was the only predictable opponent that faced the team.

The school record board is now filled with times that must be broken in the future. Each senior who completed the season can feel pride in himself because he set a fine example for others to follow.

Co-captains for the 1972 season are: Bob Brown and Dave Sherry. Coach is Mr. Phil Correll.

GIRLS' VARSITY SWIM TEAM

This year the girls' varsity swimming team is eagerly looking forward to its first year of competition as a member of the East Penn League. Coached by Miss Barbara Jean Krupa, the girls diligently prepared for their challenging season.

Last year in exhibition meets, the team was sparked with first place wins by Pat Kenna, Pam Price, Carol Brennan, Karen Stank and Sharon Kenna. With all but one of these teammates returning and the promising potential of new hopefuls, this year's team aspires to defeat such opponents as Bethlehem Freedom, Allentown Allen, Bethlehem Liberty, and Easton.

The schedule this year includes a listing of nine meets, five home and four away.

1971 - '72 GIRLS' BASKETBALL TEAM

The P. A. H. S. Lassies, coached by Miss Ellen Hildreth, were faced with a major job rebuilding, as five starters of the previous year had been taken by graduation. However, in true Pottsville tradition, the girls came through with another spectacular season.

The combination of fine coaching, determination to win and unfaltering teamwork provided the spark for the Lassies' 12-3 season. The three losses were suffered at the hands of Pine Grove and Marian, who went on to be league champions.

Fay Whalen and Colleen Brennan co-captained the team to many fine victories over such tough opponents as Blue Mountain and Our Lady of Lourdes.

This year's team of eight members consisted of five seniors, Fay Whalen and Sue Majestic at the forward spot, Diane Umbenhauer at center, and Colleen Brennan and Phyllis Scanlan who handled the backcourt. Colleen Brennan led the team in scoring as she contributed a total of 225 points.

Although the talents of this year's team will be missed, there are three starting juniors that will be back to lead next year's team.

This year's edition of the Junior Varsity, coached by Miss Barbara Krupa and co-captained by Chris Gerace and Debbie Haag, came up with a fine record of 8-5.

In spite of a slow start, these girls used pure determination and will power to come from behind in many hard fought victories.

1971 GIRLS' SOFTBALL TEAM

The girls' softball team, coached by Miss Ellen Hildreth, had another fine season as they compiled a record of seven wins and four defeats. It was a season marked by teamwork and good sportsmanship. The all-round effort and determination the entire team gave, combined with the capable coaching of Miss Hildreth, proved the team's ability.

Graduating seniors included Linda Rega, Donna Sandherr, Marilyn Miller, Ruth Richter, Nancy Miller, Ann Bobby, and Debbie Crum.

Coach Hildreth is looking forward to another fine season in 1972, as she has many fine underclassmen returning.

IN MEMORIAM

On March 21, 1972, Mr. RAPHAEL DiCELLO, history teacher and assistant coach in both football and track, died after a very brief illness.

He will long be remembered for his spirit and dedication to duty and for his faith in and work with young people.

We proudly pay tribute to his memory with the hope that his spirit will live on in all of us.

NATIONAL HONOR SOCIETY

The National Honor Society of Pottsville Area High School, chartered in 1936, is composed of the first sixteen members of this year's graduating class. These members have the following attributes — scholarship, leadership, service, and character.

An assembly was held to introduce these people to the student body and the members of the faculty. Upon introduction each member received a gold pin signifying their membership in the organization. Certificates will also be presented to them at graduation.

Under the capable supervision of Mr. John Liddle, adviser, the club held its traditional "mum" sale for the Thanksgiving Day football game.

P. A. H. S. REPERTORY COMPANY

The Repertory Company of Pottsville High is made up of forty members from the freshman, sophomore, junior, and senior classes who are interested in dramatics. This includes not only acting, but also directing, producing, and casting. Everything is handled by the members themselves, under the capable supervision of the advisers.

As in past years, the club will produce two or three one-act plays which will be presented to the student body. The best of these will be performed at the annual High School Drama Festival at New Hope, Pennsylvania.

The biggest task that the club undertook this year was the production of "The Wizard of Oz," which was presented to elementary students in the Pottsville High School Auditorium.

MU ALPHA THETA

The Pottsville Chapter of Mu Alpha Theta, a national mathematics organization, had its charter originated in the spring of 1971 with Mrs. Miriam Wagner as its sponsor. The once small membership has increased in number to approximately forty-six full members and three associate members. To enter the club one must achieve a B average in at least two units of academic mathematics. Being different from other organizations, Mu Alpha Theta is similar to a fraternity which bases its programming on the furthering of knowledge in the math field.

As of last year, the club has purchased two computers which will be in operation in the early spring. Other activities include teaching classes, competing within the club in probability games, and monthly programs using mathematical theories. Fund-raising profits go toward an educational trip near the close of school.

Our most successful endeavor this year was a large representation for the Pottsville chapter at a convention in Altoona, Pa. Programs there consisted of game theory, polyhedra, physics, and geometry with a club report by each school attending. With this experience in mind, plans are being made for future trips to such places as New York City for a regional convention and New Orleans for internationals.

AMERICAN FIELD SERVICE

The main purpose of the American Field Service is to sponsor a foreign student to P. A. H. S. and a P. A. H. S. student to another country. Last summer we were fortunate to have two of our students abroad—Kathy Kemple in Switzerland and Sharon Kenna in Costa Rica.

Our fund raising activity this year was supporting Sharon Kenna, our candidate in the queen contest. Along with A. F. S. Weekend, which has become a highlight of the year for the entire student body, many of the members participated in the trip to see *Jesus Christ Superstar* in New York City. This year we were under the capable leadership of Mrs. Miriam Wagner.

to Right — Pat Lord, Cathy Rehnert, Kathy Kemple, Karen Stank.

El Circulo Espanol was organized in 1964 to promote interest in the cultural aspects of Spanish speaking countries.

The club is composed of students who have completed at least one semester of Spanish with a "C" average. There are 67 members in the club this year.

The meetings, held monthly, alternate between business of the club and program planned to stress interest, understanding, and knowledge of the customs, the history, and the emotions of the people who speak the Spanish language.

This year the club participated in the Football Queen contest by nominating Cathy Rehnert. The club was very proud to have her as its representative.

STUDENT COUNCIL

The Student Council of Pottsville Area High School is one of the oldest organizations in the school. It was instituted in 1926 to promote better student-faculty relations and to improve the general welfare of the student body.

The membership of the Council consists of one representative from each homeroom, elected in the beginning of the school term. The officers of the Council are chosen by the entire student body in the spring preceding their term of office. All officers are members of the senior class.

Traditional activities carried out by the Council include the sponsoring of lyceum programs, selling of book covers, and sponsoring the Penny-A-Week Drive, which is a fund-raising project to buy Christmas gifts for the less fortunate children of the community. The members also served as ushers at the parents' "Back-to-School Night." Several of the Council members aided the Pottsville Junior Chamber of Commerce with its Christmas shopping tour for the underprivileged children of the community. The members of the Council also acted as guides at Parent Visitation evenings.

The new activities carried out by the Council include the building of a float for the Winter Carnival Parade. The hard work put into the float, of which the theme was "Peter Pan," won the Council a third place trophy. The Council also conducted the election of the Snowflake Princess for the Winter Carnival.

Council is under the supervision of Mr. Donald Schneider.

Several awards are given at graduation to worthy students for outstanding performance for the study of two, three, and four years of Latin.

Too, each member donates items of food and toys which comprise the Christmas basket, presented annually to a needy Pottsville family.

The club was chartered in 1950. Membership is limited to 25 girls—ten seniors, ten juniors, and five sophomores—who are chosen by the club membership on the basis of leadership, scholarship, and cooperation.

This year, in addition to the annual Christmas luncheon to which past AID members are invited and the membership tea, where applicants for membership are introduced, the club held both a dance in the fall and the traditional "girl-ask-boy" dance in the spring.

Features

CLASS HISTORY

We, the Class of 1972, are different from all other classes in the history of Pottsville Area High School.

From the first day we sat in that big auditorium, not being able to take our eyes off the huge walls and crowds of people sitting below us, we were scared and a little excited, with butterflies flying around in our stomachs.

Our first year, roaming those gigantic halls was great and we had a good time whether we were taking General Business or Algebra I.

In the middle of that endless year we elected Ken Bailey, Ed Guers, Cathy Rehnert, and Joy Jonathan as our officers.

Our sophomore year was a different one. We were undecided about everything; the frustrations of academic competition and the ever-changing social activities had a very disquieting effect upon us.

We'd sit in biology and look at our favorite guy or gal or stand outside math class to see whether he or she looked or even glanced at us. We were really starting to find out what life is all about.

Three weeks before final exams we elected Chris Higgins, Dave Sherry, Marietta Chipriano, and Joy Jonathan as our faithful officers.

Finally, it was two down and two to go! Some of our best friends went to Vo-Tech, others asked us to help them study for a shorthand test while we were studying oxidation numbers for chemistry.

Each week of school was never-ending, knowing there were dances, parties, and maybe even a date on the week-ends.

Our junior year was an important changing point. We knew that our driver's license was just around the corner, and in the end we had to start planning for our unpredictable futures.

That year our class treasury increased from \$1.25 to \$1,200. We earned this money by having two dances, a bake sale, selling basketball programs, class jackets, and class hats.

The officers who made this all possible were again, Chris Higgins, Dave Sherry, Marietta Chipriano, and Joy Jonathan.

Suddenly, we, the Class of 1972, were leaders of this school as we took front row seats in the auditorium. Every day that we went to class was one more very important step to graduation and the future.

Most of us who will be going on to further our education had already started to fill out our applications and sent them on to the colleges or other schools of our choice.

It was very important that we still studied diligently that year and made up for that time lost. With all the advanced courses and busy schedules that we tried to keep up with, it got pretty tough. We tried to attain a medium of success in academic work as well as keeping up with all the social activities.

CLASS HISTORY

We made our senior year the best ever. Our production of the play, *January Thaw*, had a very talented cast and able directors. It was a huge success.

That year we were also fortunate to have the Class "A" Southern Division Football Champs, and those very close and exciting basketball games where we sold programs again. Also, our wrestling team placed second in the Tri-County League as they displayed the skills of our senior matmen.

Our class officers were kept very busy planning the senior activities including, the prom, all-night party, banquet, dances, bake sales, and sub sales. They were Bob (B. J.) Jones, Debbi Brokhoff, Pat Lord, and Karen Stank.

Soon it was the end of our high school days—they really went fast!

We had already started to plan our prom, all-night party and banquet, which we will never forget!

Most of us who are furthering our education have already paid our acceptance fees, and will be preparing for that big step all summer.

Finally, we sat at commencement thinking of all the times, both good and bad, some of sober, some smiling, others crying.

These were the best days of our lives that will live on in our hearts forever. Often we will think of them and wish we were still in high school. But, now they have ended with all the fun and hard work behind us—we think as we sit at commencement where do we go from here?

THE SENIOR PLAY

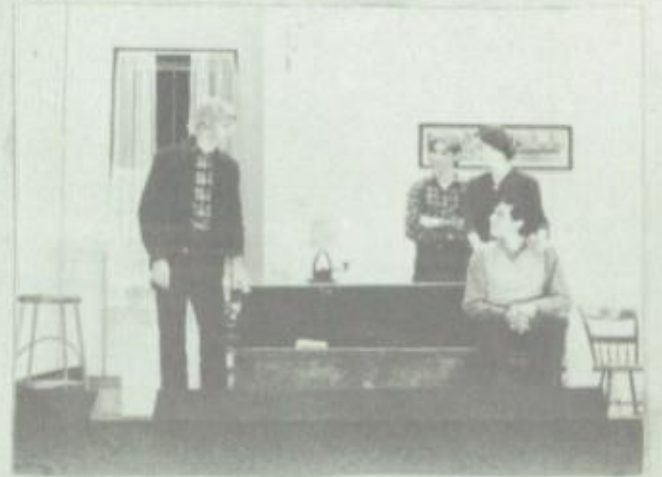

A new type of subtle humor combined with situation comedy constituted one of the most entertaining and memorable plays produced in the past decade by P. A. H. S., *January Thaw* was given on the evening of November 18, 1971. The Gages and Rockwoods humorously posed the question, "Can two opposing families living in the same house ever find happiness together?"

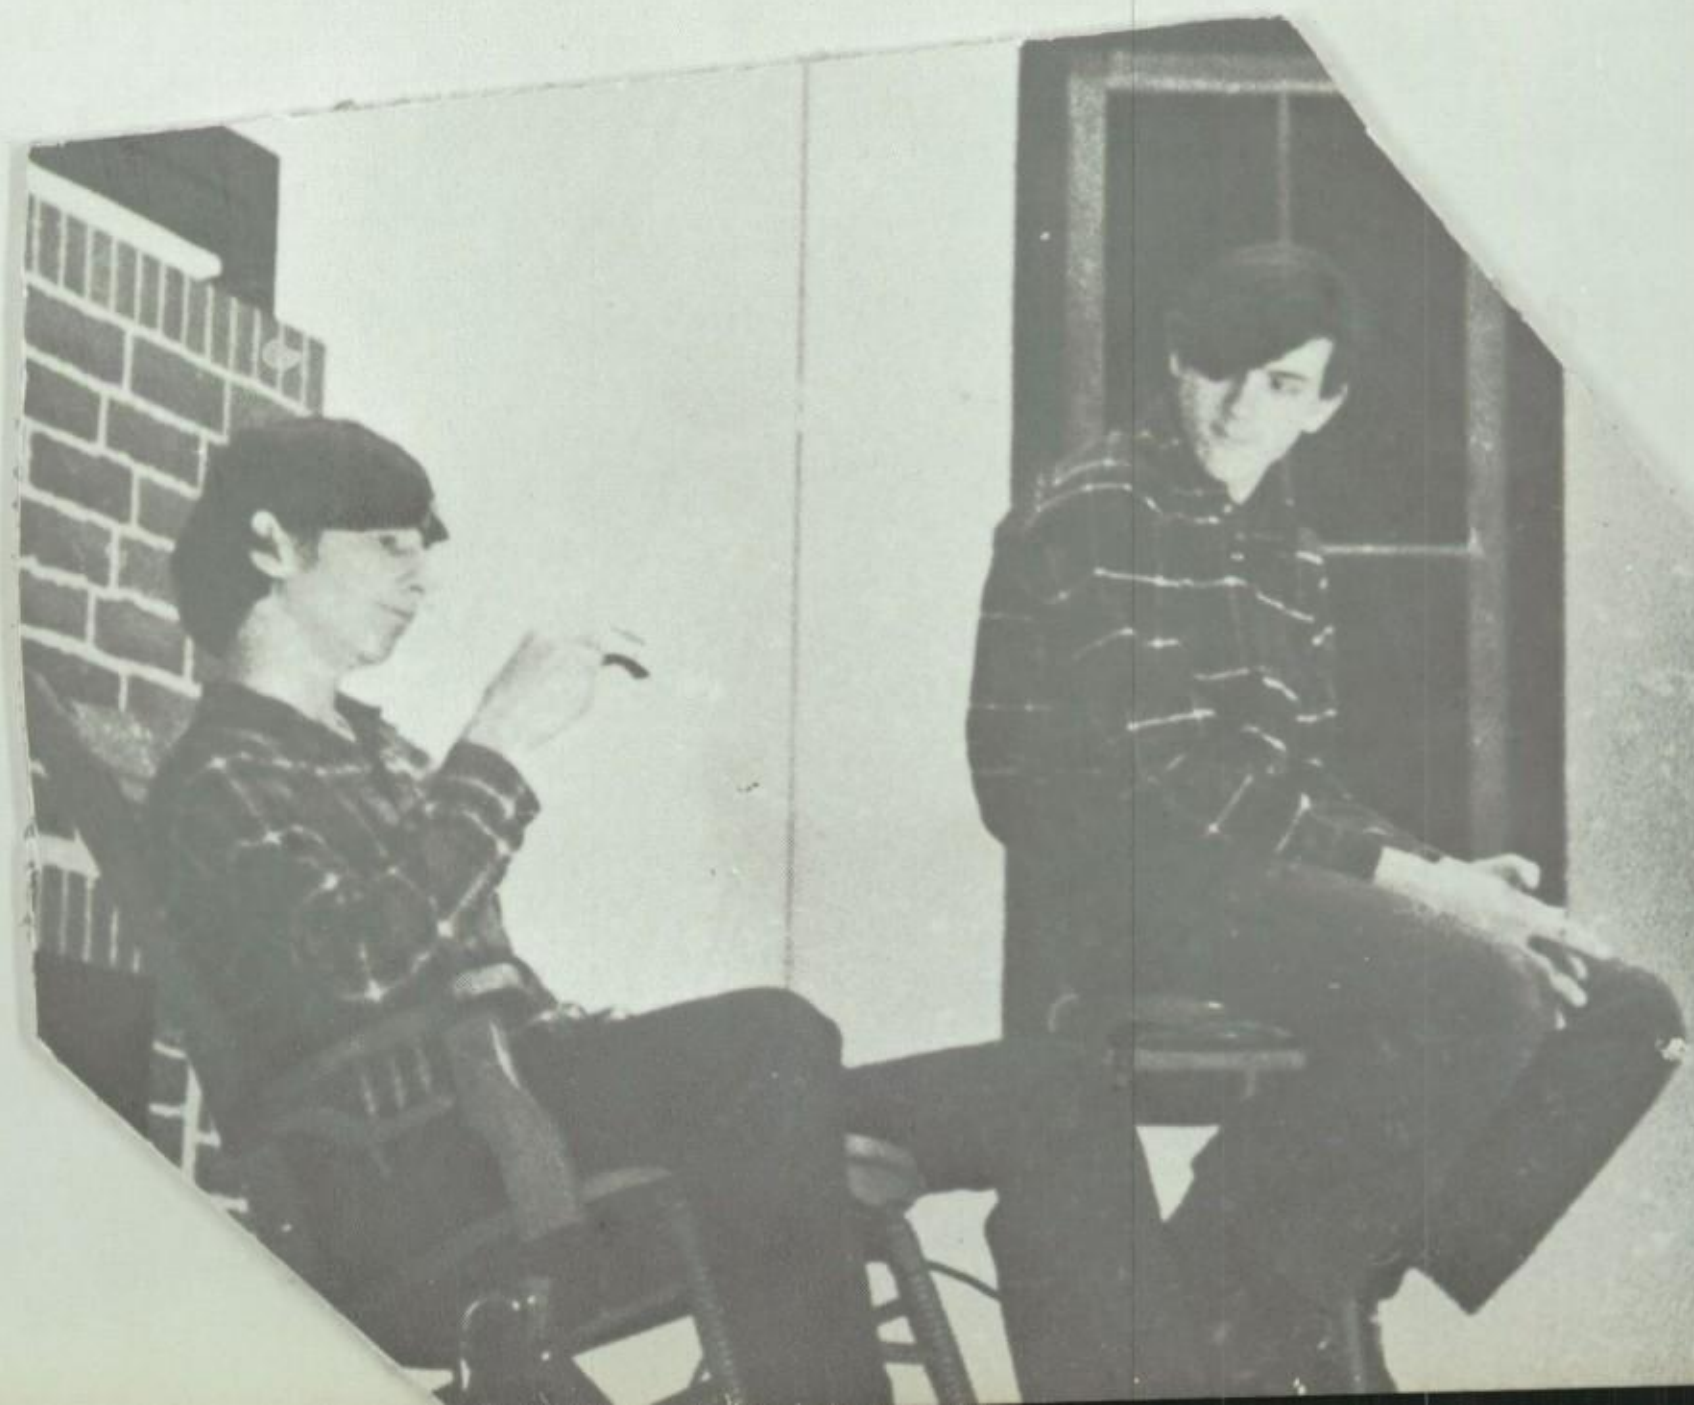

Practicing after school every day for almost two months under the direction of Miss Sherill Silberling and Mrs. Geraldine Korenda indicated that talent is found in both students and faculty. The cast set the audience on fire with laughter stemming from witty and distinct phrases.

The Class of 1972 would like to express its heartfelt appreciation to everyone who made this year's performance one to remember.

PEP CLUB

The newly organized Pep Club became a part of P. A. H. S. this year. The main purpose of the club is to back our athletic teams by having a sizeable cheering section at the games.

The members have a chance to represent the student body in deciding activities held at the rallies and the games.

Some projects of the club were decorating throughout Pottsville for the games and selling shakers at the Valley View championship game.

The Pep Club is under the supervision of Miss Ellen Hildreth.

The officers for this year are:

<i>President</i>	LINDA MAUGER
<i>Vice-President</i>	PAT LORD
<i>Secretary</i>	BEV PECOVICH
<i>Treasurer</i>	JOY JONATHAN

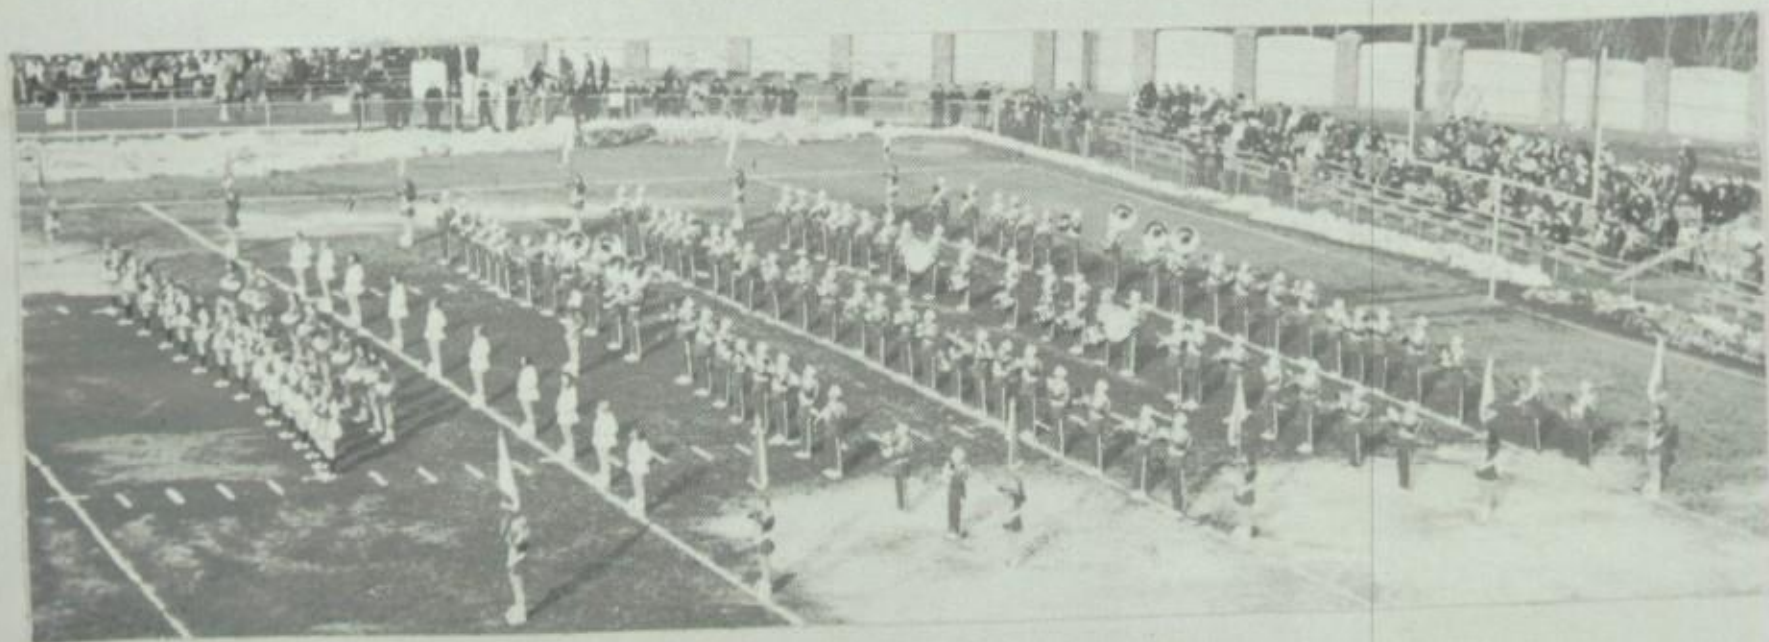

to Right — Joy Jonathan, Pat Lord, Linda Mauger, Bev Pecovich.
